Sir,

In response to the office action dated 03/10/2004, please amend the
subject application as follow:

In the specification:

On page 2, please amend the sentence from lines 3 to 7 to:

- When a sophisticated reciprocal adjustable garment hanger was
promoted, it was discovered that the low cost garment hanger
packaging designs commonly used in the art do not provide
adequate display area to illustrate sales related information, such
as the special benefits, features and operation of the reciprocal
adjustable garment hangers. -
